NOTICE TO THE MARKET

IE Aguapeí Installation License Issued

CTEEP – Companhia de Transmissão de Energia Elétrica Paulista (“ISA CTEEP”, “Company”) wishes to announce to the public that it has obtained the Installation License (“LI”), issued by the State of São Paulo’s Environmental Company (“CETESB”), regarding Interligação Elétrica Aguapeí’s (“IE Aguapeí”) substations and associated transmission lines.

IE Aguapeí is the project under construction pertaining to Lot 29 of transmission auction 05/2016, held in April of 2017, in which the Company detains 100% of its stake.

The development is located in the State of São Paulo and is formed by the Baguaçu and Alta Paulista substations with 1,400 MVA of capacity, 107 km of transmission lines, 440 kV from the Alta Paulista substation to the sectioning of the Marechal Rondon – Taquaruçu transmission line and the segment of the 440 kV transmission line of the Baguaçu substation to the sectioning of the Ilha Solteira – Bauru transmission line. The estimated ANEEL capex is of R\$ 602 million, with an Annual Allowed Revenue (“RAP”) of R\$ 54 million.

With the LI obtained, the construction may be initiated. The deadline stipulated by ANEEL for the startup of IE Aguapeí is August of 2021.
