NOTICE TO THE MARKET

IE Itapura (Lorena) Installation License Issued

CTEEP – Companhia de Transmissão de Energia Elétrica Paulista (“ISA CTEEP”, “Company”) wishes to announce to the public that it has obtained the Installation License (“LI”), issued by the State of São Paulo’s Environmental Company (“CETESB”), regarding Interligação Elétrica Itapura’s (Lorena) substation.

IE Itapura (Lorena) is the project under construction pertaining to Lot 10 of transmission auction 02/2018, held in June of 2018, of which the Company detains 100% of its stake.

The project is located in the State of São Paulo and is formed by the implementation of the Lorena substation 500-230 kV with the maximum capacity of 1,200 MVA, in the city of Lorena. The estimated ANEEL capex is of R\$ 238 million, with an Annual Allowed Revenue (“RAP”) of R\$ 10 million.

With the LI, the construction may be initiated. The deadline stipulated by ANEEL for the startup is September of 2021.
